### **SPORT ACTIVITY LIMITATIONS**

<u>Note/Instructions</u>: Included in this section are questions/items designed to determine the effects of an athlete's intellectual impairment on his/her main sport. To ensure an accurate profile, it is essential that each question/item be considered in relation to the **athlete's overall** training history, for as long as you have worked with the athlete—not just their present level in sport development.

For each question, please indicate whether the item is an ongoing concern, a past concern, or never a concern (by checking the appropriate  $\square$ ). If an item does not apply to the athlete's sport, please check the "does not apply to the sport" box ( $\square$ ).
